- Large battery allows marking of up to 18 full-size football pitches from a full charge
- Supplied with a lifetime warranty when used with Pitchmark paint
- Lightweight and easy to handle

## Pitchmark Products Used At:

## Testimonial:

"I was so impressed that we now use Pitchmark products at both the Parc des Princes and the Camp des Loges training facility, and I couldn't be happier. I'd have no problem recommending Pitchmark to other turf professionals. Their knowledge is second to none and the service and assistance I receive is outstanding."

Jonathan Calderwood, Head  
Groundsman, Paris Saint-Germain
